

# City & Guilds Introductory Programme - Knitting

## CGI.M1.D2: Prepare your sketchbook pages

### Introduction

Select 2 colours from your watercolour palette plus black.

Using a wide, flat brush and any combination of the three colours, paint 12 pages in your sketchbook with a wash of colour/s.

### *You can try:*

- A single colour
- Two colours
- All three colours
- Blends of different colour combinations blended on the palette before application
- A graduation, going from deep to pastel, almost white
- Stripes
- Swirls
- Wet the page, drop on paint and allow the paint to spread of its own accord

Don't take too much time over this, aim to cover your pages in around 30 mins.

If you enjoy this exercise – why not repeat it with different combinations of colours?

Above all, feel free to experiment!
